8. Entrants shall receive a notification via email after 1-3 working days to inform them if their submitted entry satisfies the submission requirements and qualifies for the competition.

Selection Process for the Finalists

1. From all the entries, the Festival will select the top 10 finalists to be included in the Competition's Official Selection.
2. There will be a Selection Committee, comprised of DENR-EMB and Epson representatives, who will judge the submissions according to the following criteria:
 - A. **Story/Content (40 points)** – Overall excellence in storytelling, accuracy in information; and
 - B. **Adherence to the Theme (60 points)** – How the PSA effectively depicts the theme selected by the entrant and how it clearly makes a connection between the population and the chosen topic
3. The Competition's Official Selection will be announced through Epson Philippines' official Facebook page (@EpsonPhilippines.) The 10 finalists will also be notified via e-mail and a call from the Epson team on February 26, 2019.
4. Once the entry has officially been announced as part of the finalists for Epson EcoVision PSA Competition, the entrant may then share it on any social media platform or in any way the entrant sees fit.
5. All finalists may only release their own announcements after Epson Philippines has made its own.
6. The finalists will also receive an E-mail from Epson Philippines providing an official approval to promote their videos. Finalists will also be invited during the press conference on March 7 and the Awards Night on March 15, 2019 at The UP Film Center in UP Diliman, where the winners for various awards will be announced.

Selection Process for the Final Award Winners:

From the top ten (10) finalists, a new set of Board of Judges, composed of three members of the Selection Committee, a filmmaker and a screen writer, will select three winners for the EcoVision PSA Competition based on the following criteria:

- **Adherence to the Theme (50 points)** – How the PSA showcased Green Solutions for Everyday Life at Home, School or Office
- **Story and Content (30 points)** – Overall excellence in storytelling, measured by how well the PSA draws in the viewer and keeps his/her interest

- **Cinematic Attributes and Technical Execution (15 points)** – Creative and technical approach in all departments including writing, directing, acting, editing, production design, cinematography, sound, and music
- **Aggregated number of Social Media engagements (5 points)** – Total scores garnered in social media (Likes and Reacts)

Computation Process of the Aggregated Social Media Engagements:

1. The Finalists’ trailers will be posted on Epson’s official Facebook page to determine their scores for the social media engagement.

1 Like is equal to 1 point
1 Share is equal to 1 point

2. The Social Media Engagements will be monitored starting from **February 26, 2019 (12AM) to March 6, 2019 (11:59PM)**, only.

Prizes:

1. The winners of the competition will receive the following:

Champion	Php100,000 and Epson product/s for the school
