INK TANK SYSTEM PRINTERS ECOTANK M1100/M1120/M2140

Efficiency meets economy with the EcoTank monochrome M1100, M1120, and the multi-functional M2140 printers. Look forward to lower business costs with bottles that provide an ultra-high page yield of up to 6,000 pages² each. Simplify processes with integrated ink tanks that enable spill- and error-free ink refilling, and enjoy laser-quality text that is smudge-proof and water-resistant with the pigment ink. What's more, the M1120 brings convenient printing with wireless connectivity. Whatever the printing need, there's an Epson printer that meets the requirements.

4-Year Warrant

Each printer comes bundled with a starter kit of 1 high capacity bottle of Epson genuine ink.

IT'S IN THE DETAILS.

Better Savings and Page Yield

Print cost-effectively with affordable ink bottles and an ultra-high page yield of up to 6,000 pages², and save on paper costs with auto-duplex⁴ printing.

Better for the Environment

Each printer is designed to reduce running costs and impact to the environment, using over 27x less power than laser printers⁶.

Epson Warranty for Peace of Mind

Enjoy warranty coverage of 4 years or 50,000 prints, whichever comes first, printhead included.
