

## PRESENTING AFFORDABILITY IN HIGH-RESOLUTION.

Epson understands your need for high-quality photo printouts that come at exceptionally low cost, presenting the L805 photo printer with Epson's original ink tank system to meet your needs. You can expect clear and vibrant printouts attributed to the printer's capability to print at high resolutions through an expanded colour gamut of 6 inks. Printing is made easy with the L805's integrated Wi-Fi support to bring you ease of printing from your mobile devices over a wireless network so you can print low-cost, high-resolution photos at your convenience.

1-Year Warranty

The Epson L805 is bundled with a starter kit of 6 bottles x 70ml of photo colour Epson inks, allowing up to 1,800 4R photo\* prints.

## ENGINEERED FOR BUSINESS

### Greater Cost-Savings

Delivering unrivalled economy with Epson's original ink tank system so you can enjoy ultra-high yields at minimal running costs.

### Wireless Connectivity

Integrated Wi-Fi connectivity features allow you to print over a wireless network with ease.

### Unsurpassed Print Quality

Expect high-resolution printing at 5760 dpi and vibrant colours with its expanded colour gamut of 6 inks.

\*Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 29103. Quoted yields are NOT based on ISO/IEC 29102. Actual yields may vary depending on manner of usage and print pattern.

Print high-resolution photos at incredibly low cost while maintaining productivity with a superior print speed of 12 seconds per 4R photo in draft mode. Epson L805 now supports Wi-Fi, allowing you to print photos from your mobile devices easily.

### Greater Cost-Savings

Epson's proven original ink tank system delivers reliable printing with unrivalled economy. At just US\$10.50 per bottle, Epson genuine ink bottles let you enjoy ultra-high page yields of up to 1,800 4R photos\* at very low running costs.

\*Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 29103. Quoted yields are NOT based on ISO/IEC 29102. Actual yields may vary depending on manner of usage and print pattern.

## Wireless Connectivity

The integrated wireless connectivity on the L805 allows easy and flexible printing from your mobile devices over a wireless network.

You'll enjoy fast and seamless shared printing for multiple users with built-in support for Wi-Fi connectivity that comes with a suite of Epson Connect features:

### Epson iPrint

Print directly from your smart devices or online cloud storage devices. You can also use your smart device as a scanner to capture a document, format, enhance, and print it to a Wi-Fi-enabled printer wirelessly via the app.

Step 1: Capture & Crop

Step 2: Enhance & Print

### Epson Email Print

Print to any Email Print-enabled Epson printer from any devices or PC with email access.

### Remote Print Driver

Print to a compatible Epson printer anywhere in the world via the Internet, using a PC with Remote Print driver or from mobile devices via the Epson iPrint app.

## Unsurpassed Print Quality

With a resolution of 5760 dpi and the expanded colour gamut of 6 inks, you can be assured of the highest quality in photo printing.

## Superior Print Speed

With a photo print speed of up to 12 sec per 4R photo\*, you can achieve much more with less time.

\*Based on 4R borderless photo draft mode.

## Direct Printing onto CDs/DVDs

With the Epson L805, you can print directly onto the printable surface of your CDs/DVDs, removing the need for additional adhesive labels, thereby saving you money.

## Epson Easy Photo Print

Achieve photo lab quality prints with Epson's Easy Photo Print. The easy-to-use software allows you to choose from fixed layouts for your photos or customise photo layouts based on your needs. You can also quickly perfect your photos with image correction features such as Red Eye Correction and Photo Enhance.

## Epson Warranty for Peace of Mind

Enjoy Epson's warranty coverage of up to 1 year or 3,000 prints, whichever comes first, for maximum value from your printer. Epson's warranty covers the printhead, which is most important for a printer designed for high volume printing.

## Quality that Shines. Value that Lasts.

Epson genuine ink bottles are formulated to deliver outstanding high-volume print quality with L-series printers. Every bottle is individually sealed, to ensure the purity of ink, and comes with a smart tip designed for mess-free refills. Choose Epson genuine ink bottles to enjoy lasting quality with your L-series printer and the lowest printing costs\*\*.

\*\*As of 10 April 2015, the Epson L-series offers users the lowest cost per page (black and colour combined) for any printer using genuine branded supplies from its own manufacturer. This is based on the MSRP listed on the manufacturers' websites in 5 major ASEAN markets.

## PARTNERS IN PERFECTION

### LabelWorks™ LW-1000P Label Printer

The LW-1000P offers convenient and ease-of-use label printing solutions, with network-sharing and wireless capabilities, complete with a built-in automatic round corner cutter.

### Perfection™ V800 Photo Scanner

Boasting up to 6400 dpi, with an Optical Density of 4.0 D-max for film scanning and enhanced by energy-efficient ReadyScan LED technology, the V800 photo scanner delivers brilliant high resolution images with zero warm-up time.
