Expression Home XP-245

Expression Home XP-442

**Wi-Fi and Wi-Fi Direct Connectivity**

Share your printer over a wireless network or print directly from your mobile devices without a router.

**Exceptional Colour and Text**

Claria Home Ink delivers razor sharp black text on documents and superb glossy photos on Epson glossy photo paper.

**Epson Connect Enabled**

Print and scan on the go with your mobile devices.

\* Only available for XP-442.

From photos and documents to your personal projects, the Expression Home XP-245 and XP-442 deliver exceptional colour and detail with enhanced connectivity enabled by Wi-Fi Direct\* and Epson Connect – all in a wonderfully compact design.

### Wi-Fi and Wi-Fi Direct Connectivity

Experience a world of wireless convenience with access to easy and flexible shared printing and mobile printing. What's more, the Expression Home XP-442 gives you the added advantage of Wi-Fi Direct, allowing you to connect up to 4 devices to the printer even without a router.

### Exceptional Colour and Text

Epson's Claria Home Ink is specially formulated to deliver razor sharp black text and superb glossy photos on Epson glossy paper. Together with our proven Micro Piezo™ printhead technology driving a stunning resolution of 5760 x 1440 dpi, the Expression Home series of printers are truly in a class of their own.

Good quality prints with  
Epson Claria Home Ink

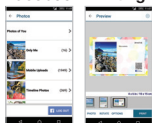

\* Only available for XP-442.

## Epson Connect Enabled

With Epson Connect, there are many ways to wirelessly print your documents and photos from anywhere in the world:

- **Epson iPrint** - Print from and scan directly to your smart device or online cloud storage services.
- **Epson Email Print** - Print to any Email Print-enabled Epson printer from any devices or PC with email access.
- **Remote Print Driver** - Print to a compatible Epson printer anywhere in the world via the Internet using a PC with Remote Print driver or from mobile devices via the Epson iPrint app.
- **Scan to Cloud\*** - Share your scans through email or store them online in cloud storage services.
- **Epson Creative Print** - Get creative with your mobile device. Share & personalise your photos.

### Facebook Printing

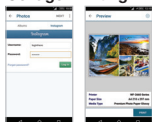

Print 4"x 6" photos directly from your Facebook account and create personalised postcards. A QR code that links directly to the photo on your Facebook page can be added to the prints.

### Colouring Book

Use images from your mobile devices and adjust up to 5 levels of line thickness to create your own colouring projects.

### Collage Printing

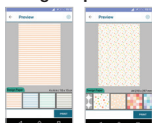

Use photos from your Device Memory or Instagram account to create a collage with 72 pre-defined templates and output it directly to a printer.

### Personal Stationery

Create personalised stationery such as Lined Paper, Writing Paper with Photo Background and Calendars easily with this app.

### Design Paper

Print paper with patterns using the printer. This can be used as wrapping paper for gifts.

Other mobile solutions:

- **Apple® AirPrint™\*** - Print directly from your Apple devices.
- **Google Cloud Print™\*** - Print directly from an Android™ smartphone, tablet or PC using your Google account.
- **Mopria™ Print Service\*** - Conveniently print across different brands of printers from mobile devices running Android OS 4.4 or later.

\* Only available for XP-442.

Support for Epson Connect features varies across products. Please refer to the specifications in this brochure for the list of supported Epson Connect features for your printer. For more information on Epson Connect, please visit <http://www.epson.com.sg/connect>

## Performance And Features That You Need

Scanning is fast and precise with up to 1200 dpi optical resolution. The XP-442 offers even greater productivity with high print speeds of up to 33ppm

for draft black-& white and 10ipm for standard black-&-white print quality.

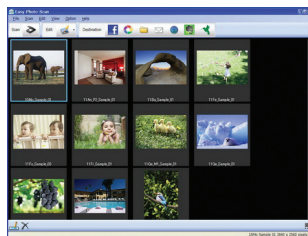

For more convenience, the XP-442 is equipped with a large 2.7" LCD that allows easy access to your preferred print settings, and a memory card slot for direct printing.

## Small Footprint

The Expression Home series not only looks great, they also fit perfectly in your home or office. Both the XP-245 and XP-442 offer print, scan and copy functionality in a highly compact design so that you won't have to worry about finding space for them.

## Epson Easy Photo Scan

Easily scan, view, edit, save and transfer scanned documents with this downloadable software. Epson Easy Photo Scan provides 8 simple photo editing functions, such as Rotation, Auto and Manual Enhance, Soft Focus and Red Eye Correction, to allow you to enhance and correct your photos as desired. The preview mode and thumbnail mode allow you to easily choose, edit and preview your photos within the application.

Post-scan destinations, including local folder, Web Folder, email, Facebook, Picasa™, Evernote® and SugarSync®, are easily accessible through the software.

## Epson Easy Photo Print

Achieve photo lab quality prints in just 3 steps with this easy-to-use software.

Step 1  
Choose photo

Step 2  
Choose size and media

Step 3  
Print

### Dimensions & Weight

#### XP-245

Weight: 3.9kg (8.6lb)

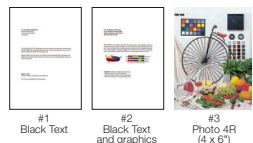

#### XP-442

Weight: 4.3g (9.5lb)

<sup>1)</sup> Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

<sup>2)</sup> When printed on Epson Premium Glossy Photo Paper.

<sup>3)</sup> Default mode in accordance with ISO7779 for MFs.

<sup>4)</sup> Via custom setting. Otherwise 3mm top, left, right, bottom.

<sup>5)</sup> In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Part of the ink from the first set of ink cartridges are used for initial ink charging. Ink is used for both printing and print head maintenance. All inks are used for both black and colour printing.
