### Compact Footprint

With a compact footprint of just 0.19m<sup>2</sup>\* and a mere 23.1kg\*, the SL-D1030 model with duplex feeder takes up minimal space and is an ideal companion for your business.

\*With duplex feeder.  
Without duplex feeder: Footprint is 0.16m<sup>2</sup>. Weight is 17.6kg.

### Greater Productivity

With an improved printing speed, the SL-D1030 takes productivity to the next level which delivers up to 385 prints per hour\* – 7% more efficient as compared to its predecessor model - the SL-D830.

\*Based on internal testing using 6x4-inch media.

### User-Friendly Features

#### 1.44" Colour LCD Display

An easy-to-operate colour LCD display allows immediate access to important information about your printer and print jobs.

#### Easy Ink Refill

Manage your ink refills with 250ml ink supply unit, reducing downtime and improving efficiency for your business.

#### Front Paper Load

Enjoy the convenience with the front-loading tray for your SL-D1030, allowing fast and easy access of adding and removing media while you print.

### Flexible Connectivity

Easily connect and print what you need via Wi-Fi without having to deal with messy cabling in your workstation and kiosks.

### Epson Cloud Solution PORT

Quickly access and manage multiple printers remotely via the Epson Cloud Solution PORT. Reduce downtime and maximise productivity with accurate failure diagnosis and receive prompt responses to inquiries fuss-free. Enjoy increased efficiency with streamlined troubleshooting for your SL-D1030 printer today.

\*Duplex feeder is required for double-sided printing. Only cut sheet media applicable for double-sided printing.
