Better Value by Design
 Dramatically smaller side margins let you print perfectly sized labels that reduce margin wastage significantly.

Wide Range of Media and Styles
 Get creative with multiple font types and styles, symbols and frames. Choose from 6mm to 24mm tape widths in various colours and patterns.

Create Once, Reuse Anytime
 All LabelWorks printers make it convenient to store your favourite custom label designs and recall them later for future applications.

Whether at home or at work, finding what you are looking for has never been quicker and easier with an Epson LabelWorks printer. The lightweight and handy LW-K200 and LW-K400 feature fast and efficient label printing while the portable LW-700 can be connected to your PC or Mac for greater flexibility.

Cost Savings

All LabelWorks printers are designed for greater cost efficiency. Through the use of significantly smaller side margins, wastage is reduced greatly.

Lead margins

With longer tape length offered by Epson, save more on the running cost of printing.
