#### Versatile Media Sizes

Be empowered to print flawlessly on a wide array of media of different sizes, both roll\*\* and cut sheet.

#### Double-sided Printing\*

Expand your printing possibilities into photo books, menus, and more with SL-D1030's double-sided printing option.

#### Improved Productivity

With quicker printing speeds, enjoy improved efficiency while developing vivid and colour-accurate prints.

\* Duplex Feeder is required for double-sided printing. Only cut sheet media applicable for double-sided printing.  
\*\* Roll media is only applicable for single-sided printing.

# Single Printer, Abundant Applications.

Expand what your business can offer to customers with Epson's SureLab D1030. Compact and reliable, the photo lab printer delivers colour-accurate photos with precision at increased productivity. Utilising Epson's Micro Piezo printhead technology, studios and photo printing businesses can now produce high-quality vivid and sharp prints that meet various production needs.

## Double-sided Printing\*

Produce borderless double-sided prints with the SL-D1030. Create a variety of novelty items from vivid photo books to eye-catching greeting cards is now made easy and hassle-free.

## Richer Image Quality

Combining the Epson Micro Piezo printhead technology with Epson UltraChrome D6r-S ink set, the SL-D1030 prints with a wide colour gamut, achieving intense sharp blacks on all prints. Ensuring impeccable quality and reliable endurance on every photo, your customers can rely on the prints for stunning photos and long-lasting memories.

\*Duplex feeder is required for double-sided printing. Only cut sheet media applicable for double-sided printing.

## Compact Footprint

With a compact footprint of just 0.19m<sup>2</sup>\* and a mere 23.1kg\*, the SL-D1030 model with duplex feeder takes up minimal space and is an ideal companion for your business.

\*With duplex feeder. Without duplex feeder: Footprint is 0.16m<sup>2</sup>. Weight is 17.6kg.

## Greater Productivity

With an improved printing speed, the SL-D1030 takes productivity to the next level which delivers up to 385 prints per hour\* – 7% more efficient as compared to its predecessor model - the SL-D830.

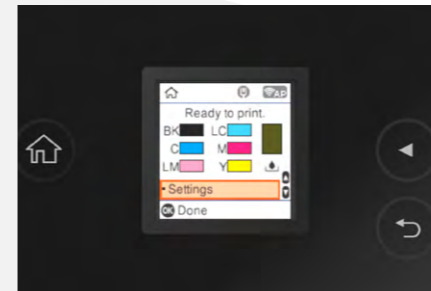

\*Based on internal testing using 6x4-inch media.

## User-Friendly Features

### 1.44" Colour LCD Display

An easy-to-operate colour LCD display allows immediate access to important information about your printer and print jobs.

### Easy Ink Refill

Manage your ink refills with 250ml ink supply unit, reducing downtime and improving efficiency for your business.

### Front Paper Load

Enjoy the convenience with the front-loading tray for your SL-D1030, allowing fast and easy access of adding and removing media while you print.

## Effortless Setup & Management

### Flexible Connectivity

Easily connect and print what you need via Wi-Fi without having to deal with messy cabling in your workstation and kiosks.

### Epson Cloud Solution PORT

Quickly access and manage multiple printers remotely via the Epson Cloud Solution PORT. Reduce downtime and maximise productivity with accurate failure diagnosis and receive prompt responses to inquiries fuss-free. Enjoy increased efficiency with streamlined troubleshooting for your SL-D1030 printer today.
