

Epson Floor Stand for the Lifestudio Flex EF-71 and EF-72

Minimalist design
blends naturally with
home decor

Clean, cable-free
setup design

Adjustable and versatile

Adjustable height: The pole can be adjusted
from 60 cm to 80 cm.

Remote control can be attached to the pole.

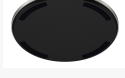

Adjustable angle: With the EF's rotation
mechanism, the projector can be angle
adjusted vertically 90°up/15° down and
horizontally 180°.

4kg Solid round base

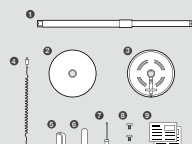

The stand can
withstand a tilt
of 15°.

Anti-slip sheet on
the back of the
base.
