

ENHANCED A3 SCANNING FOR CONNECTED WORKFLOWS

High-speed network scanning for greater productivity.

Built for productivity, the Epson WorkForce DS-51000WN, DS-61000WN and DS-71000WN combine high-speed network scanning with versatile media handling. Supporting a wide range of documents through both the Automatic Document Feeder (ADF)* and flatbed, these scanners streamline document capture and distribution. Bundled with document capture software and workflow automation tools, they help businesses manage information more efficiently and boost productivity.

ENGINEERED FOR good

High-Volume Performance

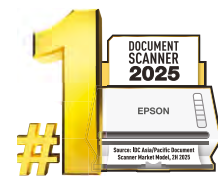

With scan speeds of up to 70 ppm / 140 ipm, the DS-71000WN supports a daily duty cycle of up to 11,200 sheets.

Versatile Media Handling

Support for a wide range of media types through both the ADF* and flatbed ensures simple and efficient document capture.

PC-less Operation (Scan-to)

Streamline document sharing with direct Scan-to destinations, including email, network folders, cloud services, and USB drives.

With speeds of up to 70ppm/140ipm* and a 150-sheet ADF, the WorkForce A3-series scanners deliver fast, reliable, and efficient high-volume document processing for modern business environments.

*For DS-71000WN.

*Up to 30% recycled plastic is used in the production of the main unit, with the ratio depending on the availability of raw materials. This percentage refers to the weight of recycled plastic used in the exterior parts, relative to the total plastic weight.

High-Performance Scanning for Every Business

Versatile Media Scanning

Handles a wide variety of media, including mixed-size documents, long paper up to 3,556 mm, photos, ID cards, and booklets. With both an ADF and flatbed scanner, it offers the flexibility to efficiently scan everyday paperwork as well as specialty documents.

Easy Book Scanning

Book Scanning Mode enables easy capture of books and bound materials with the document cover open. Scanning starts automatically when a page is placed on the scanner glass, eliminating the need to close the cover for each scan.

Simple and Intuitive Operation

Designed for effortless operation, the scanner features an intuitive 4.3" LCD touchscreen, enabling direct Scan-to functions from the control panel without the need for a PC.

Network-Ready Scanning

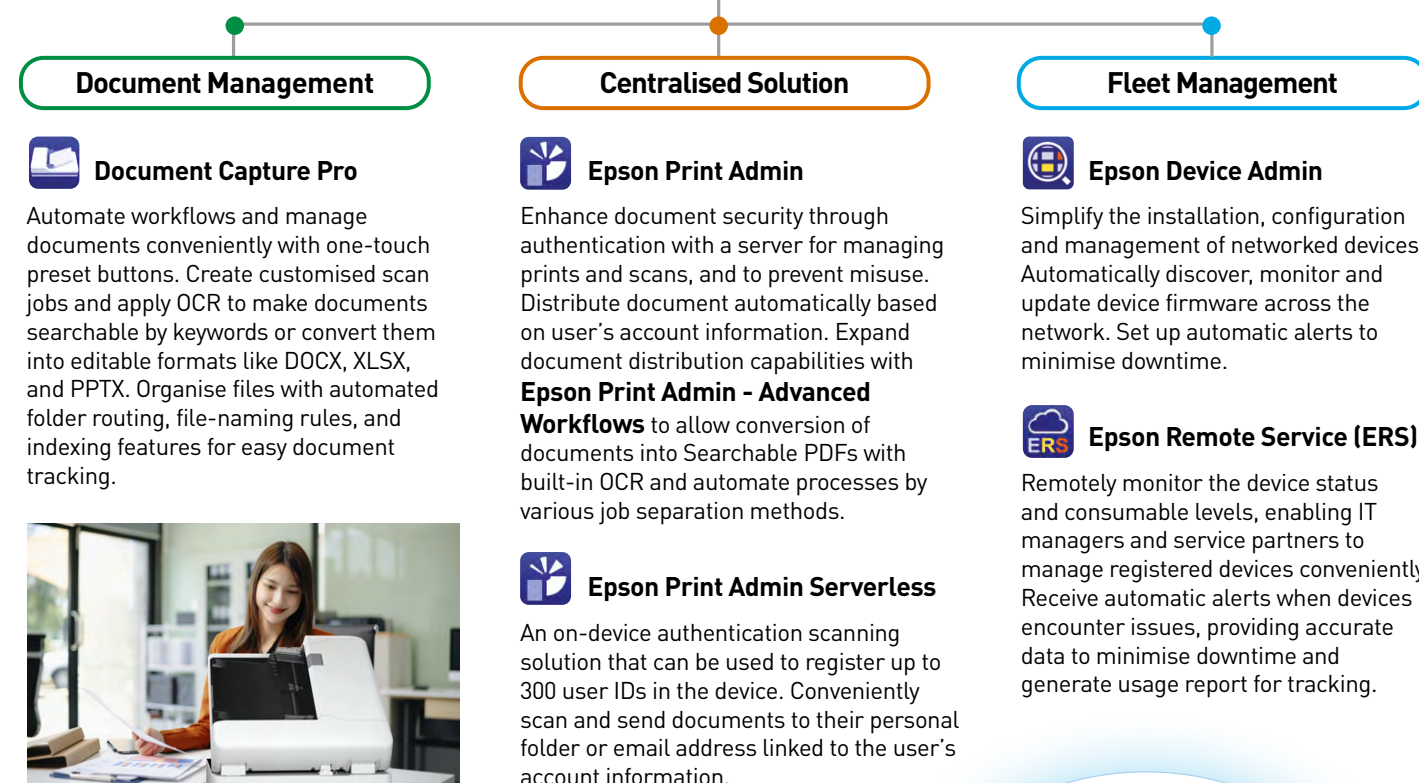

Designed for shared workplaces, the scanner features built-in network and Wi-Fi connectivity, allowing multiple users to scan directly from their workstations or the scanner itself for greater flexibility and efficiency.

Seamless Software Solutions

Streamline document processes with scalable software solutions designed to integrate seamlessly with your existing business systems and workflows.

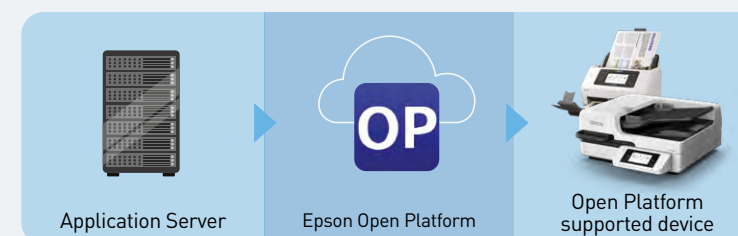

Epson Solutions Suite

Epson Open Platform

Only for DS-71000WN

Expand the capability of Epson products by integrating with embedded solutions, allowing ISVs to customise solutions to customer workflows.

Cloud & Mobile Solutions

Mobile App

Epson Smart Panel

Scan documents from your smart device, perform simple enhancements, and save to your device or share them via cloud services, email, or installed apps.

Epson Connect Services

Scan to Cloud

Scan and send documents directly to popular cloud storage services through Epson Connect, without requiring a PC or email server.

Driverless Solutions: • Apple AirPrint • Mopria™ Scan • ChromeOS

Dimensions & Weight

DS-5100WN

Weight: 11.1kg (24.5 lb)

DS-6100WN

Weight: 19.7kg (43.4 lb)

DS-7100WN

Weight: 19.7kg (43.4 lb)

What's in the box:

- Scanner Main Unit
- USB 3.0 Cable
- AC Adapter
- Power Cable
- Setup Guide
- Warranty Card
- Cleaning Cloth
- Cloth Holder
- Authentication Device Stand (DS-7100WN only)

^{*1} Scanning resolution as defined by ISO14473.

^{*2} Based on A4 size documents.

^{*3} For Windows version only.

^{*4} For DS-6100WN & DS-7100WN only.
