Packed with advanced features such as ReadyScan LED Technology and Epson ScanSmart software, this powerful scanner enables you to digitise, view and manage your documents with ease. With its sleek, compact and stylish design, you'll experience excellent scanning performance even on the go.

## Compact Design with Reliable Performance

### Superior Convenience

Reduce clutter and avoid the hassle of a complicated setup with the V39II. Simply connect the scanner to your PC with a single USB cable to start scanning.

For added convenience, you can power up the V39II with just your laptop's USB port, enabling you to use the scanner anywhere, anytime.

### Remarkable Versatility

The small and compact design of the V39II makes it easy to carry around. With a built-in kickstand, you can also use the scanner in an upright position at places where space is limited.

## Flexible, User-Friendly Features

### Pre-defined One-touch Functions

The V39II has 4 one-touch buttons that are pre-defined to make regular scan jobs easier. With just a push of a button, you can effortlessly send scanned documents to PDF, email, printer, or computer directly.

Scan to PDF    Scan to Email    Copy    Scan and Save

### Extendable Hinge and Detachable Lid

The extendable hinge on the V39II enables you to scan documents up to 6 mm thick with the lid closed. And for thicker items such as books and photo albums, simply remove the lid.

## Easy Operational Workflow and Versatile Media Options

### Epson ScanSmart

Epson ScanSmart with simplified user interface and features allow users to have a seamless and hassle-free scanning experience.

**Simple Operation**
Review, rearrange and rotate pages right after scanning and save it to a file.

**Automatic Scan Mode Detection**
Automatically detect the type of originals for the right editing enhancement functions when scanning documents or photos.

**Versatile Output Capability**
Attach scanned images to email or send the files directly to popular cloud storage services.

### Built-in Character Recognition

Create searchable PDF which allows users to locate their documents easily by searching for keywords.
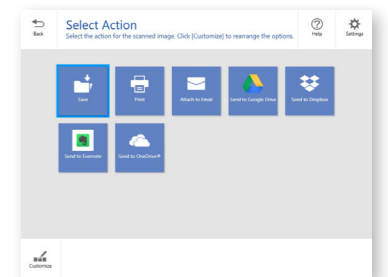

### Stitch Image

Stitch images together when scanning a document larger than the document glass.

### Optional Flatbed Dock

A Flatbed Dock can be used to integrate the V39II with compatible sheet-fed document scanner. Users can have the option to scan thick objects such as books, or small and fragile documents that can be easily damaged such as receipts.

Compatible sheet-fed document scanner models: DS-530, DS-530II, DS-770, DS-770II, DS-870, DS-970.

*Push scanning is not supported for Flatbed. For Mac, installation of the V39II scanner driver is required.

## Zero Warm-up Time, Eco-friendly Feature

With Epson's ReadyScan LED Technology, the V39II starts scanning instantly with no warm-up time required. Featuring a mercury-free LED light source, this eco-friendly scanner is low in heat dissipation and power consumption, allowing you to be energy-efficient and cost effective.
