

FLEXIBLE SCANNING DESIGNED FOR COMPACT SPACES.

Compact and versatile A4 scanners tailored for agile businesses.

The Epson WorkForce DS-C330/ES-C320W/ES-C380W A4 document scanner embodies compact efficiency, combining versatile media handling with rapid scanning capabilities. Its unique vertical paper path design enables seamless scanning even in confined workspaces, maximising its space-saving potential. Furthermore, this scanner incorporates advanced paper protection technology to prevent damages to your original documents. Committed to sustainability, the scanner is made of up to 34%* recycled plastic in crafting its main unit.

Built For Business

Enhance productivity with fast scanning speeds of up to 30 ppm / 60 ipm, with daily duty cycle of 5,000 sheets* and an ADF capacity of 20 sheets.

Compact Solution

Perfect scanner for limited space with the ability to scan paper in the vertical path position, without adding to the device's footprint.

PC-less Operation

Effortlessly send scanned documents without a computer using the Scan to function**, streamlining your workflow for a hassle-free experience.

*The usage ratio of recycled plastic is subject to change depending on the availability of raw materials. **For ES-C380W only. ^For ES-C320W and ES-C380W only.

*Daily duty cycle of 5,000 sheets for DS-C330 only. Daily duty cycle of 3,500 sheets for ES-C320W and ES-C380W.

The DS-C330, ES-C320W, and ES-C380W document scanners are versatile options designed to meet the needs of both individuals and businesses. These scanners enable duplex scanning at speeds of up to 30 ppm / 60 ipm, significantly enhancing office productivity. Additionally, they are equipped with a 20-sheet Automatic Document Feeder (ADF) for convenient scanning, and feature a handle grip at the back for easy carrying, ensuring convenient portability.

Compact and Versatile Scanning

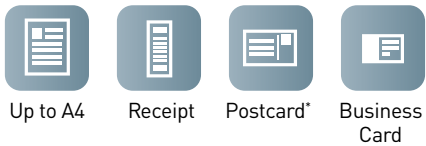

These scanners effortlessly handle long documents, boasting a maximum scan size of 215.9 x 3,048 mm (5,588 mm for ES-C380W). Additionally, the scanner can scan documents weighing up to 127 gsm for vertical scanning and 413 gsm for straight path scan, including fragile, torn, or folded papers using a carrier sheet. Using a passport carrier sheet, you can also seamlessly scan passports and booklet* with a thickness of up to 5 mm.

Vertical Path Scan

The vertical path scan feature allows for effortless scanning in narrow spaces and efficient document handling. This makes it particularly suitable for settings with limited desk space, such as hospital front desks, hotel receptions, and similar environments.

Types of supported media

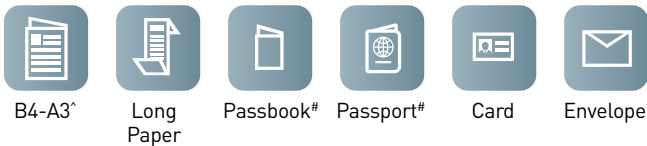

*Postcard with thickness of more than 190g/m² need to be scanned in the straight path position.

Straight Path Scan

The straight path scan feature allows you to easily scan thick documents such as passports, plastic cards, and envelopes, making it a versatile scanning solution.

Types of supported media

*Require carrier sheet. *Require passport carrier sheet for DS-C330 and ES-C320W.

Lower Environment Impact

The main body of the scanners is constructed with up to 34% recycled plastics[^], without compromising the scanner's compact size and performance. This makes it an environmentally friendly choice for businesses.

[^]The usage ratio of recycled plastic is subject to change depending on the availability of raw materials.

Document Solutions

Epson Scan 2

Epson Scan 2 functions as a versatile scanner driver, allowing meticulous control over size, resolution, brightness, contrast, and image quality adjustments. It effortlessly scans, patches up, and enhances documents by utilising surrounding colors, making it easy to address issues like folds, tears, border shadows, and punch holes.

Folded edge Paper tear Border shadow Punch hole

Efficient Fleet Management

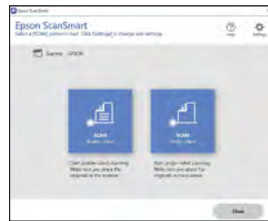

Manage, monitor and configure your Epson device fleet effortlessly with Epson Device Admin. Compatible with a large range of networked printers and scanners, all information can be easily viewed via one smart, intuitive interface.

Epson ScanSmart

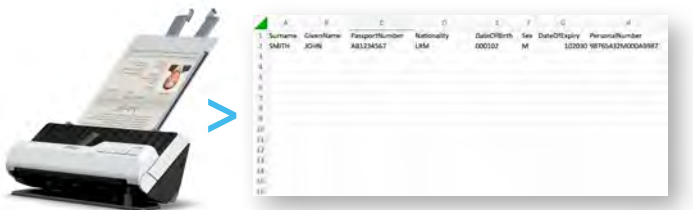

ES-C320W & ES-C380W only

The Epson ScanSmart simplified user interface and features allow users to have a seamless and hassle-free scanning experience.

Document Capture Pro* DS-C330 only

Scan, edit, and process documents with automatic workflows. Convert documents into searchable PDF files or editable Office documents with built-in OCR capability. Documents can be named and sorted into different folders conveniently by various job separation methods. You can also capture text and barcode information from documents including Machine Readable Zone (MRZ) of travel documents.

*Limited functionality for Mac version of Document Capture.

Cloud & Mobile Solutions

Epson Smart Panel ES-C320W & ES-C380W only

Scan directly from your smart device with access to popular cloud storage services.

Epson Connect (Scan to Cloud) ES-C380W only

Send documents through the cloud service directly from the device panel to an email address or to popular cloud storage services without a PC or email server.

User-Friendly Features

Paper Protection Function

Upon detection of abnormal paper feeding or stapled/folded paper, scanner will automatically stop to prevent damage to important documents.

Reliable Scanning

The kit includes a robust user-replaceable assembly roller, designed for a high daily duty cycle of 5,000 sheets[#].

Double Feed Length Detection

This function signals the scanner to automatically stop when it detects that multiple document sheets have been fed at the same time.

Automatic Feeding Mode

The Automatic Feeding Mode enables large volumes of documents to be scanned continuously.

ScanWay ES-C380W only

Easy and fuss-free data sharing without PC. Scan documents straight to Cloud, Network folders, Email and USB.

Driverless Scanning ES-C320W & ES-C380W only

Scan directly to Chromebooks and Android devices with support from Mopria. Users can also scan to their devices running macOS without drivers using Apple AirPrint technology.

Glass Dirt Detection

A notification will be sent upon detection of dirt in three areas before scanning. This reduces the risk of re-scanning due to bad image quality, improves the Scan-to-workflow and increases business productivity.

2.4" Colour LCD Touchscreen ES-C380W only

User-friendly interface with up to 24 customisable preset buttons for easy operations.

[#]Daily duty cycle of 5,000 sheets for DS-C330 only. Daily duty cycle of 3,500 sheets for ES-C320W and ES-C380W.
