Rich and Natural Colour

Epson Other brand

Consistent Colour Reproduction

Enjoy consistent, reliable results with genuine Epson dye-sublimation inks and a dedicated lookup table (LUT) designed specifically for promotional goods and rigid substrates.

Smear Reduction Mode

Only for SC-F330

Help minimise ink smearing caused by printhead contact with the media. Easily toggle Smear Reduction Mode on or off through the printer settings for cleaner, more reliable output.

Designed for Everyday Convenience

Designed For Easy Operation

Smart features simplify printing for greater convenience and ease of use.

Large Touchscreen Display
(Only for SC-F330/530/531)

Tiltable Control Panel

Front Cassette (A4, 150 Sheets)
(Only for SC-F130/330)

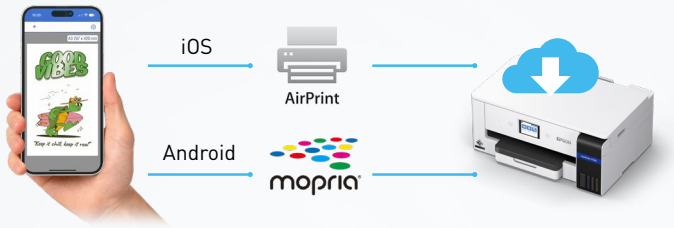

Ink Tank System

Convenient Mobile Printing

Only for SC-F330

Print with ease directly from your mobile device with Apple AirPrint for iOS and Mopria for Android. Enjoy a simpler, more flexible workflow without the need to transfer files to a computer.

Quick and Easy Setup

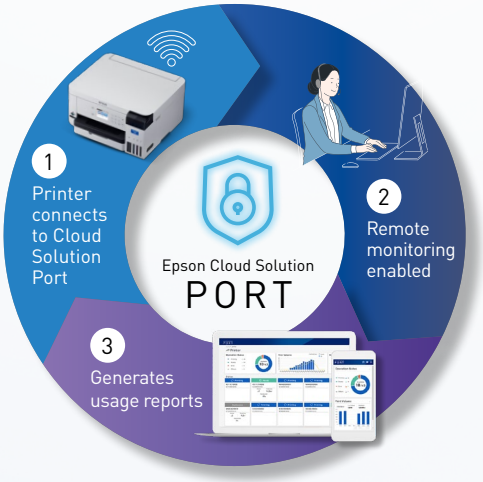

Get started with ease using the bundled ink set. Simply connect the power cable, load the paper and fill the ink tanks to prepare your printer for use.

Streamline Printing and Smart Management

Epson Cloud Solution PORT

Monitor daily printer status and order replacement printheads and other user-replaceable parts through this cloud-based platform.
