

THE COMPACT AND AFFORDABLE PRINT SOLUTION.

Now available in white, the EcoTank L1216 and L1256 deliver excellent print performance, producing photos with superb quality. These reasonably priced printers offer a high print yield of up to 4,500 pages for black-and-white, and 7,500 pages for colour. Affordable ink bottles with designated nozzles, enable spill-free refilling. Get wireless connectivity with the EcoTank L1256, offering direct printing from smart devices. Download the Epson Smart Panel* app to your mobile device and easily manage your printing functions and printer setup, making this especially useful for non-panel printers. This compact printer fits into any space, making it the ideal print solution for your business.

Yellow Ink Bottle		003

Dimensions & Weight

L1216

Weight: 2.8 kg

L1256

Weight: 2.9 kg

¹ Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

² When printed on Epson Premium Glossy Photo Paper.

³ Borderless printing is supported up to 4R (4 x 6"), otherwise 3 mm top, left, right, bottom.

⁴ Default mode in accordance with ISO7779.

⁵ Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing.
