

# SUPERIOR PERFORMANCE WITH LOW-COST DUPLEX PRINTING.

Driven by the revolutionary PrecisionCore™ printhead technology, the L605 and L655 ink tank system printers deliver cost-effective printing with swift speeds of up to 13.7ipm for standard prints. You'll not only enjoy black and white printouts with sharp texts that are water and smudge-resistant, you can also print vibrant and glossy photos on photo media paper. Both printers also come with a full suite of connectivity features, making them the ideal choice for your office.

The Epson L605 and L655 come bundled with a starter kit of 1 x 140ml bottle of black ink and 3 x 70ml bottle of colour inks.

## ENGINEERED FOR BUSINESS

### Superb Quality and Cost-savings

Enjoy quality printouts and the lowest cost of duplex printing on any inkjet printer\*\*.

### Convenient Connectivity

Share your printer over Wi-Fi, Wi-Fi Direct, Ethernet and print on the go via a suite of Epson Connect features.

### Enhanced Productivity

Boost your productivity with default print speeds of up to 13.7ipm, as well as scan and copy multi-page documents with the built-in ADF\*.

PRECISIONCORE

\* Fax and ADF available on L655 only.

\*\* As of 1 June 2016, the Epson L605 and L655 offer users the lowest cost of printing duplex (cost per two-pages), for any inkjet printer capable of auto-duplex, using genuine branded supplies from its own manufacturer. This is based on the MSRP listed on the manufacturers' websites in 5 major ASEAN markets.

Your next level of productivity begins with Epson's L605 and L655 ink tank system printers, the printers that offer the lowest duplex printing costs\*, with each set of inks yielding up to 6,000 pages for black and 6,500 pages for colour. Enjoy quality documents and photo prints at fast print speeds, complete with a suite of connectivity features.

### Superb Quality and Cost-savings

Be impressed by reliable quality afforded by a 4800 dpi high resolution output. The L605 and L655 print black and white documents with razor sharp text that are water and smudge-resistant. You can also print lab-quality glossy photos on photo media paper. The L605 and L655 also allow you to print on automatic duplex. Each set of inks yields up to 6,000 pages for black and 6,500 pages for colour, offering the lowest cost of printing duplex\*.

\* As of 1 June 2016, the Epson L605 and L655 offer users the lowest cost of printing duplex (cost per two-pages), for any inkjet printer capable of auto-duplex, using genuine branded supplies from its own manufacturer. This is based on the MSRP listed on the manufacturers' websites in 5 major ASEAN markets.

## Convenient Connectivity

### Wi-Fi and Wi-Fi Direct Connectivity

Experience a world of wireless convenience with access to easy and flexible shared printing and mobile printing. The added advantage of Wi-Fi Direct allows you to connect up to 4 devices to the printer without a router. The L605 and L655 also come enabled with Ethernet, ensuring superb connectivity, allowing you to easily share your printer within your work group for better use of resources.

### Epson Connect Enabled

- Epson iPrint
- Epson Email Print
- Remote Print Driver
- Scan to Cloud

Other mobile solutions:

- Apple® AirPrint™
- Google Cloud Print™
- Mopria™ Print Service

For more information on Epson Connect, please visit <http://www.epson.com.sg/connect>

## Compatibility with Epson Device Admin

With Epson Device Admin, you can now manage, monitor and configure your Epson device fleet easily. It is compatible with a large range of networked printers and scanners, and views all information via one smart, intuitive interface.

### Epson Device Admin functions

- Easily monitor, manage and configure Epson networked devices within a single application.
- Manage Epson devices in groups.
- Receive automatic alerts when the device runs out of consumables or faces an error for quick response.
- Generate reports automatically for cost-savings activities or implementing managed print services.

For more information, please refer to <http://www.epson.com.sg/epsondeviceadmin>

## Enhanced Productivity

PRECISIONCORE

### High Speed Printing

Enjoy print speeds of up to 13.7ipm for standard print, along with draft print speeds of up to 33ppm with Epson's PrecisionCore printhead, offering versatile high-speed, high-quality solutions for commercial, industrial and office printing. The L605 and L655 also support automatic duplex printing up to 6.5ipm, therefore reducing paper wastages.

### LCD Screen

Experience easy setup and PC-less operation with a 2.2" mono LCD on both printers.

### Automatic Document Feeder (L655 only)

The L655 is equipped with a 30-sheets ADF unit for convenient scanning and copying of multi-page documents.

### 100 Page Fax Storage Memory (L655 only)

The L655 Broadcast Fax and PC-fax functions allow you to send a fax digitally with your computer, complete with a 100-page fax storage memory that ensures your incoming faxes will be received if the printer is out of paper or ink.

## Epson Warranty for Peace of Mind

Enjoy warranty coverage of up to two years or 50,000 prints, whichever comes first, for maximum value from your printer. Epson's warranty includes coverage of printhead, which is most important for a printer designed for high volume printing.

## Space-saving Design

Even with its multifunctional capability, the L605 and L655 are compactly designed to take up very little space compared to conventional designs, allowing you to fit it comfortably anywhere in your office or home.

## Quality That Shines. Value That Lasts.

Epson genuine ink bottles are formulated to deliver outstanding high-volume print quality with L-series printers. Every bottle is individually sealed to ensure the purity of ink and comes with a smart tip designed for mess-free refills. Choose Epson genuine ink to enjoy lasting quality with your L-series printer.

## PARTNERS IN PERFECTION

### Epson EB-1985WU Business Projector

Ideal for meetings or presentations, and enhanced with the ability to play videos, the EB-1985WU high brightness business projector displays your desired content with ease and style.

### WorkForce DS-860 Scanner

An ultra-fast and efficient scanner for document management, with speeds of up to 130ipm, Document Capture Pro software and scan to cloud functions.

### Dimensions & Weight

#### L605

Weight: 6.6kg (14.6lb)

#### L655

Weight: 7.4kg (16.3 lb)

<sup>1</sup> Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

<sup>2</sup> When printed on Epson Premium Glossy Photo Paper.

<sup>3</sup> Default mode in accordance with ISO7779 for MFPS.

<sup>4</sup> Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing.
