A3 MONOCHROME MULTIFUNCTION PRINTER

WORKFORCE ENTERPRISE WF-M20590

Our massive investment in revolutionary technologies enables us to focus on the extensive demands of high volume printing. PrecisionCore, our next generation, high-density printhead takes enterprise printing even further. This time in black-and-white. Expect a productivity boost at lightning speed, with environmentally friendly prints of up to A3+. After all, it is our attention to detail that will provide you with an overall positive printing experience.

Duplex)

Wi-Fi

Platform

IT'S IN THE DETAILS.

With PrecisionCore[™] Linehead technology, Epson WorkForce Enterprise WF-M20590 promises printing in a flash.

Maximum Performance

Enjoy productivity at breakthrough speed at 100 ppm¹ in both simplex and duplex; matching and even surpassing most laser printers.

Minimum Environmental impact

With up to 85% less power consumption³ and carbon dioxide⁴ generated than laser printers, do more for your business and even more for the environment.

Built for Business

Empower your business through our advanced workflow solutions such as Epson Print Admin and Document Capture Pro.

MAXIMUM PERFORMANCE

PRECISIONCORE PRINTHEAD TECHNOLOGY

PrecisionCore MicroTFP print chip

PrecisionCore is the next generation inkjet printhead technology driving Epson's inkjet innovation. It merges advanced key component technologies, state-of-the-art MEMS* fabrication and high precision assembly processes honed over decades.

MicroTFP print chips are the core element of PrecisionCore. They enable Epson printers to achieve higher precision and greater miniaturisation using Epson's advanced thin film piezo (TFP) technology. This radically improves the basic performance of this printhead module and makes application to a wider range of uses possible.

And with a new PrecisionCore linehead that allows an impressive speed of 100 ppm¹, be prepared for a change of expectations about business printers for the better.

* MEMS (Micro Electro Mechanical Systems): Devices possessing mechanically driven elements, manufactured through the application of semiconductor processing technology.

ULTRA-FAST PRINTING

Enjoy breakthrough high-speed printing of up to 100 ppm¹ in both simplex and duplex due to Workforce Enterprise's efficient "switchback" duplex paper path design.

Switchback paper path design ensures ultra-fast throughput even in duplex printing.

The WorkForce Enterprise uses an electrostatic transport belt that ensures the paper is completely flat, even at high speeds for accurate and rapid paper feeding.

ULTRA-FAST FIRST PAGE OUT TIME

It only takes approximately 6.2 seconds to collect your first page. There is minimal warm-up time due to WorkForce Enterprise's simple yet superior technology over laser printers.

Simple, cool, contactless technology

Complex technology using heat and pressure

ULTRA-HIGH PAPER CAPACITY AND FINISHER

The WF-M20590 is scalable with your business. You have the option to increase the maximum paper input to 5,350 sheets (80g/m²) with the High Capacity Tray and expand paper output capabilities to up to 4,000 sheets⁵ (80g/m²) with the Finisher Unit.

ULTRA-HIGH CAPACITY CARTRIDGES

With up to 120,000 page yield, the WF-M20590 powers through without interruption to support your business high printing volume needs.

Consumables	Page Yield ²	Order Code
High Capacity Ink Cartridge (Black)	60,000 pages	C13T04Q100
Waste Ink Box	-	C13T671300
Staple Cartridge for Finisher (set of 3 x 5,000 staplers each)	-	C13S210061

Options Order Code Finisher with Bridge Unit C12C933081 & C12C933261 (Purchased together) High Capacity Tray C12C933041 Paper Cassette Lock (set of 4) C12C933231 Epson Print Admin 7110574 Epson Print Admin Serverless 7111310

Epson Print Admin Serverless	7111310	
Optional Finisher		
Output Capacity	Stacker Tray: Up to 4,000 sheets ⁵ (80g/m ²)	
Finisher Functions	Shift Sorting, Staple	
Staple Capability	Up to 50 sheets ⁶ (60 - 90g/m ²)	
Supported Paper Size for Staple	A3, A4, B4, B5(LEF), Legal(SEF), Letter, 8K, 16K	
Staple Functions	Automatic Staple for 3 positions, Manual Staple	
Maximum Power Consumption	Less than 165W	
Optional High Capacity Tray		
Input Capacity	Up to 3,000 sheets (80g/m²)	
Support Paper Weight	60 - 160 g/m ²	
Support Paper Size	A4, Letter	
Maximum Power Consumption	Less than 21W	

MINIMUM ENVIRONMENTAL IMPACT

Do more for your business while doing a little more for the environment. Make the change to Epson inkjet printers and see how you can inject higher productivity and lower harmful emissions in your day to day.

BUILT FOR BUSINESS

A3 MONOCHROME MULTIFUNCTION PRINTER WORKFORCE ENTERPRISE WF-M20590

SUPERIOR PRODUCTIVITY

Automatic Duplex Printing and Scanning

The printer supports automatic duplex printing of up to 100 ipm for A4, reducing paper wastage. The one pass duplex ADF unit allows for quick, convenient scanning and copying of double-sided documents.

Diverse Media Handling

With Epson's superior inkjet technology and smart design, this WorkForce Enterprise model is able to support printing of up to A3+ size on a wide range of media types of varying thickness (up to 350 g/m²) and length (up to 1.2m), using the Multipurpose Tray.

USB Host Function

The WF-M20590 comes with a USB port for direct printing and scanning using USB flash memory devices.

LCD Screen

Experience easy set-up and PC-less operation with the 9.0" colour touch screen.

VERSATILE CONNECTIVITY

Network Connectivity and Standalone Capability

Equipped with Ethernet, Wi-Fi, Wi-Fi Direct and USB 3.0, the printer is perfect for office environments. What's more, Wi-Fi Direct acts as an access point, allowing up to four devices to connect directly to the printer at a time.

Epson Connect Enabled

Wirelessly print your documents from anywhere in the world with Epson Connect's wide range of features:

- Epson iPrint Print from and scan directly to your smart device or online cloud storage services.
- Epson Email Print Print to any Email Print-enabled Epson printer from any device or PC with email access.
- Remote Print Driver Print to a compatible Epson printer anywhere
 in the world via the Internet using a PC with Remote Print driver or from
 mobile devices via the Epson iPrint app.
- Scan to Cloud Share your scans through email or store them online in cloud storage services.

Other mobile solutions:

- Google Cloud Print™
- Mopria™ Print Service

ADVANCED WORKFLOW SOLUTIONS

Get the most out of your printers with an extensive range of software solutions.

Fleet Management

Epson Device Admin

A free software that allows you to control, analyse and manage your printer fleet centrally from one intuitive interface, designed to increase productivity and reduce costs.

Print Management

Epson Print Admin

A server-based solution that creates a secured centralised printing, scanning and copying environment through user-authentication. Advanced reporting functions can help organisations reduce printing costs and run Managed Print Programmes.

Epson Print Admin Serverless

A built-in function that creates a secure printing, scanning and copying environment through user-authentication. It automatically distributes documents to users' email accounts and folders based on their login IDs. It also allows IT administrators to generate reports, which leads to better security, productivity and cost savings.

Document Management

Document Capture Pro*

Easily scan, view, edit, save and transfer scanned documents. The software optically recognises barcodes, characters and blank pages in scanned documents to separate them into different folders.

It allows you to create up to 30 customised job settings, making multiple scan jobs a breeze.

*Document Capture Pro (Windows), Document Capture (Mac OS X), limited functionality for Mac version.

Document Capture Pro Server

Centralise scanning and manage a fleet of up to 100 scanners without the need to install drivers on individual computers. Create and assign up to 30 job settings right to the panel with a single web interface. Process and distribute documents securely and track them with reports.

Integration with Third-party Solutions

Epson Open Platform

Gain complete control of your printing operations via a range of third-party solutions that enable you to adapt the WorkForce Enterprise to meet specific and changing business requirements with solutions for print and document management.

ROBUST SECURITY FEATURES

Secured Printing with PIN Release

Print confidential documents by setting a PIN to a print job for release on the printer panel.

IP Address Filter

Secure your documents by preventing unauthorised devices from connecting to the printer.

Panel Admin Mode

Set a password to access and change administrator settings for the printer. This prevents unauthorised users from changing the printer settings.

Limited Access Function

Reduce risk of information leaks by limiting the access to functions for up to 10 user accounts.

LDAP Address Book

Prevent information leaks by using the address book registered in the LDAP server to accurately select recipient's email addresses.

SPECIFICATIONS

WORKFORCE ENTERPRISE WF-M20590

Model Number	WF-M20590
Printing	
Printing Technology	PrecisionCore™ Linehead Inkjet Technology
Nozzle Configuration	8,676 nozzles (Black)
Maximum Resolution	600 x 2,400 dpi
Default Black Resolution	600 x 1,200 dpi
Minimum Ink Droplet Volume	4.4 pl
Print Speed	
ISO 24734, A4, Simplex / Duplex	Approx. 100 ipm
ISO 24734.2, A3, Simplex	Approx. 54.3 ipm
ISO 24734.2, A3, Duplex	Approx. 36.3 ipm
First Page Out Time	Approx. 6.2 sec
Printer Language	ESC/P-R, ESC/Page, ESC/Page-Colour, PostScript3
Printer Control Language Emulations	PCL5c / PCL6 / PostScript3 / PDF (ver 1.7)
Recommended Monthly Print Volume ⁸	20,000 - 100,000 pages per month
Maximum Monthly Duty Cycle ⁹	400,000 pages per month
HDD Capacity	320GB (encrypted)
Automatic 2-sided printing	Yes
Copying Copy Speed	
ISO 29183, A4, Simplex (Flatbed)	Approx. 100 ipm
ISO 24735, A4, Simplex (ADF 1:1)	Approx. 100 ipm
ISO 24735, A4,	Approx. 95 ipm
Duplex (ADF 1:2 / 2:2)	
Maximum Copies from Standalone	9,999 copies
Maximum Copy Resolution	600 x 1,200 dpi
Reduction / Enlargement	25 - 400%, Auto Fit Function
Copy Paper Size (Flatbed)	A3, B4, Legal, Letter, A4, B5, A5, B6, A6, 16K, 8K, Envelopes: #10, DL, C4, C5, C6
Maximum Copy Size	A3
Scanning	
Scanner Type	Flatbed colour image scanner
Sensor Type	CIS

Information correct at time of printing Printed July 2019

Disclaimers:

- ¹ Up to 100 ppm for WF-M20590. Print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. For more information, visit www.epson.com.sg/printspeed
- ² Replacement cartridge yields are based on ISO/IEC 24711 tests in Default Mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. All ink is used for printing and printer maintenance, and have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer start and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For more information, visit www.epson.com.sg/inkinfo
- ³ Testing was commissioned by Epson to Keypoint Intelligence-Buyers Lab. Two comparison models were selected from colour laser multifunction printers in the 65-70 ppm class. Tests were conducted at the devices' default settings using Keypoint Intelligence-Buyers Lab standard energy consumption test methods. Calculations were based on a weekday workload of 2 x 4 hours printing + 16 hours in sleep/standby mode, and weekend energy use of 48 hours in sleep/standby mode. A total of 69 pages of workload test pattern .doc, .xls, .ppt, .html and Outlook files were printed 6 times in each 4-hour printing period.
- ⁴ Annual carbon dioxide calculations were based on JEMAI-LCA Pro. Cedar tree carbon dioxide absorption calculations were based on Japan Forestry Agency standards of 8.8kg carbon dioxide per annum per tree.
- ⁵ For simplex printing only.
- $^{6}\,$ Up to 50 sheets for letter, A4 and B5 size. Up to 30 sheets for A3, B4, Legal and 8.5 x 13"
- 7 Testing was commissioned by Epson to Keypoint Intelligence-Buyers Lab. Two comparison models were selected from colour laser multifunction printers in the 65-70 ppm class. Calculations were based on the frequency and volume of the consumables and replacement parts required to print 1 million pages (ISO/IEC 24712 test pattern) over a period of 5 years.
- ⁸ Epson recommends that the average number of printed pages per month not exceed the stated ranges for longer term print quality and reliability.
- 9 The maximum number of printed pages per month is based on the performance capabilities of the printer, including ISO rated print speeds and paper handling capabilities.
- ¹⁰ Default mode in accordance with ISO7779 for MFPs.
