With 1 Optional Paper Cassette

ENGINEERED FOR BUSINESS

Swift Productivity
PrecisionCore™ technology delivers professional output quality at unsurpassed speeds.

Low Running Cost
High yield cartridges print up to 4,000 pages black or colour. Minimise ink wastage by only replacing depleted cartridges.

Versatile Connectivity
Share your printer over Ethernet, Wi-Fi and Wi-Fi Direct and print on the go via a suite of Epson Connect features.

PRECISIONCORE

DURABrite Ultra INK

Epson's business inkjet printers ensure that you stay ahead with great print speeds and effortless high-volume printing. Coupled with the revolutionary PrecisionCore printhead technology, the WF-5111 and WF-5621 are powerful packages perfect for all offices.

Swift Productivity

PrecisionCore Printhead Technology
Enjoy default print speeds of up to 20ipm (black/colour) and draft print speeds of up to 34/30pmm (black/colour) with PrecisionCore printheads. This revolutionary technology delivers professional output quality at blazing speeds.

What's more, you can achieve excellent print resolution of 4,800 x 1,200 dpi for high-quality prints and no warm-up time with a fast first page-out time of less than 7 seconds for standard quality prints.

Productivity is further enhanced with a reliable max monthly duty cycle of 45,000 pages.

Automatic Duplex Printing/Scanning*
Both printers support automatic duplex printing of up to 11ipm for A4, reducing paper wastage. The duplex ADF unit equipped on the WF-5621 enables convenient scanning of multi-page documents.

*Scanning available only for WF-5621.

Low Running Cost

Ink Cartridge Capacity
Economy is a top priority, with Epson cartridges that reduce ink wastage and help maximise your savings by letting you replace only cartridges that have been depleted. Each set of cartridges gives you up to 4,000 pages in black or colour, minimising downtime needed to replace the cartridges.

Energy-saving, Environmental-friendly
The Epson WF-5111 and WF-5621 business inkjet printers are Energy Star® compliant, giving you significant energy-savings. Unlike laser printers, they use no heat and are more environmental-friendly.

Versatile Connectivity

Equipped with USB 2.0, Ethernet, Wi-Fi and Wi-Fi Direct*, the WF-5111 and WF-5621 are perfect for office environments. Wi-Fi Direct acts as an access point, allowing up to four devices to connect directly to the printer at a time. With EpsonNet Config, you can easily change your network settings remotely. The WF-5621 also comes with USB port for direct printing, scanning and saving faxes using memory devices.

Wi-Fi® Wi-Fi Direct®

*Wi-Fi and Wi-Fi Direct cannot be used simultaneously.

Epson Connect Enabled

Wirelessly print your documents from anywhere in the world with Epson Connect's wide range of features:

- **Epson iPrint** – Print from and scan directly to your smart device or online cloud storage services.
- **Epson Email Print** – Print to any Email Print-enabled Epson printer from any device or PC with email access.
- **Remote Print Driver** – Print to a compatible Epson printer anywhere in the world via the Internet using a PC with Remote Print driver or from mobile devices via the Epson iPrint app.
- **Scan to Cloud (WF-5621 only)** – Share your scans through email or store them online in cloud storage services.

Other mobile solutions:
- **Apple® AirPrint™** - Print directly from your Apple devices.
- **Google Cloud Print™** - Print directly from an Android™ smartphone, tablet or PC using your Google account.

Quality Printout

Smudge, Fade and Water Resistant Prints with Epson DURABrite™ Ultra ink

Epson DURABrite Ultra ink delivers brilliant, quick-drying, long-lasting prints on plain and photo paper. Achieve professional print quality with this smudge, fade, water, bleedthrough and highlighter-resistant ink, delivered in excellent print resolution with Variable-Sized Droplet Technology for standard prints.

Ease of Use

LCD Screen

The Epson WF-5111 and WF-5621 are both equipped with built-in LCD screens. Users can easily scan, copy, fax* and make printer settings or setup and operate the printer as a stand-alone machine without a PC.

2.2" Mono LCD for WF-5111/ 3.5" TFT Colour LCD for WF-5621
*Scan, copy and fax functions available only on WF-5621.

Versatile Paper Handling

With the use of the rear tray (up to 80 sheets), you can support different media (64-256gsm), such as plain paper, thick paper, photo paper or envelopes. What's more, you can easily increase your paper capacity from 330 sheets to 580 sheets by adding an optional 250-sheet paper cassette, reducing time spent on replenishing paper.

Secure Printing

IP Address Filter
Secure your documents by preventing unauthorised devices from connecting to the printer.

Panel Admin Mode
Set a password to access and change administrator settings for the printer. This prevents unauthorised users from changing the printer settings.

Limited Access Function (WF-5621 only)
Prevent unauthorised usage by limiting the access to functions for up to 10 user accounts with passwords.

Secured Printing with PIN Release (WF-5621 only)
Print confidential documents by setting a PIN to a print job for release on the printer panel.

LDAP Address Book (WF-5621 only)
Prevent information leaks by using the address book registered in the LDAP server to accurately select recipient email addresses.

PARTNERS IN PERFECTION

WorkForce DS-860 Scanner

With speeds of up to 130ipm and Document Capture Pro software, this is an ultra-fast and efficient scanner for document management. It even scans directly to popular cloud services such as Microsoft® SharePoint Server, Evernote® and Google® Docs.

EB-965H Projector

Featuring a XGA resolution with white and colour brightness of 3,500 lumens, enjoy long lamp life of up to 10,000 hours in eco-mode, along with two convenient HDMI connectivity ports.

What's in the box:
Main Unit, Initial Ink Cartridges, Power Cable, USB Cable, Driver CD, Setup Guide.

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

*2 When printed on Epson Premium Glossy Photo Paper

*3 Default mode in accordance with ISO7779 for MFPs

*4 Based on after-market cartridges, ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing. In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A variable amount of ink remains in the cartridges after the "replace cartridge" signal.
