IT'S IN THE DETAILS.

Wi-Fi and Wi-Fi Direct Connectivity

Share your printer over a wireless network or print directly from your mobile devices without a router.

Epson Connect Enabled

Print and scan on-the-go with your mobile devices.

Remarkable Quality and Print Speed

Increase productivity at a blazing speed of 34 ppm black and 18 ppm for colour printouts with a resolution of 5760dpi.

From printing documents to scanning, copying and faxing, the WF-2631 yields impressive colour print speed with uncompromised efficiency. In addition to effortless savings, users can also look forward to the convenience of wireless printing, directly from PC, laptop and mobile devices.

Wi-Fi and Wi-Fi Direct Connectivity

Experience a world of wireless convenience with access to easy and flexible shared printing and mobile printing. What's more, the Epson Workforce WF-2631 gives you the added advantage of Wi-Fi Direct, allowing you to connect up to 4 devices to the printer without a router.

Epson Connect Enabled

- **Epson iPrint** - Print from and scan directly to your mobile device or online cloud storage services such as Box.net, Dropbox, Evernote or Google Drive.
- **Epson Email Print**- Print to any Email Print enabled Epson printer from any devices or PC with email access.
- **Remote Print Driver** - Print to a compatible Epson printer anywhere in the world via Internet connectivity using a Windows PC with the Remote Print driver installed or from an iOS or Android device via the Epson iPrint app.
- **Scan to Cloud** - Share your scans through email or store them online in cloud storage services.

Other mobile solutions:

- **Apple® AirPrint™**
- **Google Cloud Print™**

Space-Saving Design

The WF-2631 not only looks great, it also works perfectly well with the limited office space of SOHO businesses. Designed to take up lesser space than most printers, its smaller footprint means you can now fit them comfortably anywhere in your home or office.

Remarkable Quality and Print Speed

Epson WF-2631 prints at an impressive resolution of 5760dpi, delivering exceptional quality for all your printing needs. In addition, it prints at a blazing speed of up to 34 pages per minute*, significantly increasing work efficiency.

*Based on draft A4 black-and-white documents

Smudge, Fade and Water Resistant Prints with Epson DURABrite™ Ultra Ink

Epson DURABrite Ultra Inks deliver brilliant, quick drying, long-lasting prints on plain and photo paper. Professional print quality is now possible with this smudge, fade, water and highlighter resistant ink.

Economy is also kept as a top priority with the WF-2631, featuring low-cost individual cartridges for great savings.

Standalone All-in-one

The Epson WF-2631 comes with a built-in 2.2" LCD screen. Users can easily scan, copy, fax and make printer settings or setup and operate the printer as a stand-alone machine without a PC.

Faxing Made Easy

Sending and receiving fax is now a breeze with a 30-page Automatic Document Feeder (ADF), Broadcast Fax and PC-fax function that allow you to send a fax digitally with your computer. The WF-2631 also features a 100-page fax storage memory, ensuring your incoming faxes will still be received in the event the printer is out of paper or ink.

Dimensions and Weight

WF-2631

Weight: 5.8kg / 12.8lb

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

*2 When printed on Epson Premium Glossy Photo Paper.

*3 Via custom setting. Otherwise, 3mm top, left, right, bottom.

*4 Default mode in accordance with ISO7773.

*5 In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A replace amount of ink remains in the cartridges after the "replace cartridge" signal. Part of the ink from the first cartridges is used for priming the printer. Ink is used for both printing and print head maintenance. All inks are used for both black and colour printing.
