LABEL PRINTER
LABELWORKS™ LW-600P

EPSON
EXCEED YOUR VISION

CONVENIENT LABEL PRINTING, ANYWHERE AND ANYTIME.

Compact, battery operated and coupled with Bluetooth connectivity - Epson LW-600P makes it easier than ever to print customised labels. Offering convenient, quality, hassle-free printing solutions on the go, the LW-600P allows you to print customised labels virtually anywhere from your smart devices. With multiple tapes to choose from and an automatic cutter, the LW-600P is your ideal label printer for all your label printing needs.

Bluetooth Connectivity	Epson iLabel	Auto-cutter	Humidity Resistant	Scratch Resistant	Temperature Resistant	Waterproof

ENGINEERED FOR BUSINESS

Convenient Printing On The Go
With Bluetooth connectivity, print high-quality labels wirelessly from your iOS and Android devices easily.

Wide Variety of Tapes
Create customised handwritten labels, iron-on labels, ribbons and more with a wide variety of LabelWorks tapes.

Smart Printing with Epson iLabel App
Easily create, edit, share and print quality labels effortlessly from your smart devices with the Epson iLabel App.

Convenient Printing On The Go

The battery-operated LW-600P can print wirelessly from iOS and Android devices via Bluetooth. Simply download the Epson iLabel App or other compatible apps and start printing. This compact printer can also print from Windows® and Mac systems via a USB cable.

Wide Variety of Tapes

Use your mobile devices to create creative labels using iron-on labels, ribbons and more, and personalise your labels and ribbons with graphics and symbols. Available in multiple sizes of up to about 24mm wide, the LabelWorks tapes are available in many types and styles, including cable wrap, folder tab, cable and wiring, ribbon, iron-on and more.

With the option to preview labels before printing, you get to see your label exactly as it would appear. This saves time and reduces waste with shorter lead margins.

Smart Printing with Epson iLabel App

The Epson iLabel App makes it easy for you to create, edit, share and print quality labels wirelessly from your Android or iOS smart devices. Add a new dimension to your labelling experience with more than 100 label design templates and over 400 available symbols that you can add to your labels.

What's more, you can also generate and print QR codes together with eight different types of barcode printing, all effortlessly from your smart device.

Simple and easy-to-use interface allows for easy reading and navigation.
