**IMAGING  
INNOVATION**

From simple home and office organisation to systematic asset-tagging for schools, factories, hospitals and more, Epson LabelWorks printers offer easy-to-use, professional solutions for every labelling need. Choose from a wide selection of Epson label media in a variety of widths, patterns, colours and finishes to create high-quality, professional labels with minimal waste and maximum savings.

• **Better Value by Design**

Dramatically smaller side margins let you print perfectly sized labels that reduce margin wastage by up to 60 percent\*<sup>1</sup>.

• **From Ordinary to Extraordinary**

Enjoy greater creative flexibility with up to 14 font types and 10 different styles (bold, shadow, outline, etc), 457 symbols and 87 frames. Tape widths range from 9mm to 36mm, in standard, metallic and pastel colours, patterns and special-use types.

• **Create Once, Reuse Anytime**

Design your label once and store it for future use anytime. Store up to 30 custom designs on the LW-300, or up to 50 with the LW-400. The LW-900P lets you store as many designs as your connected PC or Mac allows.

\*<sup>1</sup>10mm margins versus competitive label printer brands with 26mm margins.

## IMAGING INNOVATION

Whether at home or at work, finding what you are looking for has never been quicker and easier with an Epson LabelWorks printer. The lightweight and portable LW-300 and LW-400 feature fast and efficient label printing while the LW-900P connects to your PC or Mac for the ultimate in speed and flexibility.

### Better Value by Design

All LabelWorks printers are designed from the ground up for greater cost efficiency. Through the use of significantly smaller side margins, margin wastage is reduced by up to 60 percent<sup>#1</sup>. Labels are perfectly sized for fast and easy application.

<sup>#1</sup>10mm margins versus competitive label printer brands with 26mm margins.

### From Ordinary to Extraordinary

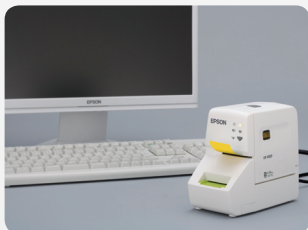

LabelWorks printers offer tremendous creative flexibility with up to 14 font types and 10 different styles (bold, shadow, outline, etc), 457 symbols and 87 frames, for users to create unique labels for every need. Epson's wide selection of high-quality labels in a variety of styles, sizes and colours lets you create labels as eye-catching, personal or professional as needs be. Tape widths range from 9mm to 36mm, in standard, metallic and pastel colours, patterns, and even specialised applications such as iron-on, glow-in-the-dark, cable wrap and index tapes.

### Create Once, Reuse Anytime

Say no to spending precious time and effort to recreate your favourite labels. The LabelWorks LW-300 can store up to 30 custom designs, while the LW-400 can store up to 50 custom designs so that users can easily reprint label designs when necessary. With LW-900P, you can store as many designs as the available hard disk space on your connected PC or Mac allows.

### Ultimate Versatility with Epson Label Editor (LW-900P only)

The LW-900P can be connected to a PC or an Apple Mac OS X computer to personalise and create larger labels up to 36mm in width. Epson Label Editor software allows users to insert images and company logos on the labels. Additionally a full range of font types are available on a user's PC or Mac. With a resolution of 360dpi and a print speed of up to 25mm/s, the LW-900P is perfect for high volume printing of labels for filing, storage, equipment identification and signage, as well as for post rooms, goods in/out and facilities management.

# Economical, Longer-lasting Labels

Whether you work in an office, factory, retail outlet, medical environment or a school, a wide selection of tape types, sizes and colours means you can be sure Epson has exactly the right one for you. With the new LabelWorks range, you even get the choice of our transparent, pastel, metallic ranges as well as specialist cable wrap labels.

Epson labels can withstand exposure to heat, cold and wet conditions, making them ideal for any application in offices through to tough industrial environments. The powerful LabelWorks range is designed to work perfectly with Epson tapes every time, leaving minimal margins and less waste. And with Epson's 8-metre tapes, you get more labels for your money.

- Save money with economical 8-metre tapes
- Lift and reposition standard labels within 24 hours
- Fully tested, durable labels that survive extreme temperatures and wet conditions
- Labels stick fast to almost any surface - even curved, glass and stainless steel
- No residue from adhesive when labels are removed

## LabelWorks LW-300

Compact and efficient helper

- Electronic label maker with integrated keyboard
- Accepts 9 and 12mm tape widths
- Simple to use with ergonomic buttons and high-quality LCD screen
- Dedicated buttons give quick access to cutting and printing functions
- Store up to 30 custom label designs for instant recall

## LabelWorks LW-400

Powerful and flexible organiser

- Portable electronic label maker with built-in keyboard
- Accepts 9, 12 and 18mm tape widths
- Ideal for office labelling, including filing, storage, asset tagging and barcode printing
- Simple to use with ergonomic buttons
- Dedicated buttons give quick access to cutting and printing functions
- Store up to 50 custom label designs for instant recall
- Backlit LCD screen for a clear view, whatever the light conditions

## LabelWorks LW-900P

Professional labelling from your Mac or PC

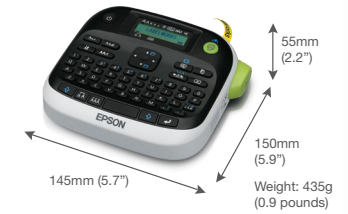

- Desktop electronic label printing system that connects to your PC or Mac
- Accepts 9, 12, 18, 24 and 36mm tape widths
- Ideal for office labelling, including filing, storage, asset tagging and barcode printing
- Easy-to-use label editing software included
- Choose from pre-defined templates or design your own
- Easily insert images, borders, barcodes and symbols
- Import data in csv, txt and xls(x) formats and print labels for each line of data
