## A4 DYE-SUBLIMATION TEXTILE PRINTER SURECOLOR SC-F130

**EPSON**  
EXCEED YOUR VISION

# GENUINE TOTAL SOLUTION WITH STUNNING PRINT QUALITY.

### A4 dye-sub printer packed in a remarkably compact body for bespoke applications.

The first of Epson's genuine A4 dye-sublimation printer solution, the SC-F130 is the ideal business solution or those businesses craving for a high quality, short-run, yet low cost entry to the novelty gifts industry. Epson provides a total solution for the SC-F130, giving customers a complete peace-of-mind with the Epson Genuine UltraChrome DS inks, transfer paper<sup>1</sup>, printer driver and a 1-year genuine warranty. The printer is perfect for producing small and bespoke products such as cushion covers, bags, mugs, and even aluminium photo frames without additional fuss.

### IT'S IN THE DETAILS.

#### Exceptional Print Quality

Using genuine dye-sub ink, the SC-F130 is designed for dye sublimation on both rigid and textile, producing stunning results.

#### High Durability

Delivering up to 15,000 A4 sheets<sup>2</sup>, the SC-F130 is reliable and long-lasting, ensuring efficiency and productivity for businesses.

#### Genuine Warranty

Ease of mind assured with one year or 6,000 sheets warranty, whichever comes first. Comes with option for extra warranty under Cover Plus.

<sup>1</sup> Epson Genuine A4 cut sheet transfer paper is sold separately. <sup>2</sup> In 6 pass default mode.

## A4 DYE-SUBLIMATION TEXTILE PRINTER SURECOLOR SC-F130

Epson's SC-F130 Dye-Sublimation printer is designed with small businesses in mind. A quintessential yet compact printer, the cost-effective printer makes it possible for small businesses to enter this niche market of customisable products by allowing the creation of short-run, low-cost promotional goods and personalised gifts on-site.

Rigid materials such as mugs, and textiles like bags, aprons, and cushions can be easily personalised with SC-F130, giving businesses the flexibility and capability to offer a wider variety of souvenirs for their clients.

### OUTSTANDING PRINT QUALITY

Achieve quality, consistent and impressive colours with Epson's PrecisionCore technology. Fitted with the PrecisionCore MicroTFP printhead, the Epson SC-F130 prints with genuine dye-sub ink and guarantees reliable prints all the time with the lookup table (LUT) designed for promotional goods and rigid substrates.

### USER-FRIENDLY OPERATION

Easy to set up, operate, and maintain, the SC-F130 is simple to use and highly intuitive, increasing efficiency for businesses. Running on 140ml ink bottles, businesses can save costs while increasing productivity with reduced downtime.

### GENUINE TOTAL SOLUTION

As an end-to-end printing solution provider, the Epson SC-F130 works in tandem with the printer driver, Epson genuine UltraChrome DS inks, and Epson Genuine DS Transfer Paper, ensuring increased productivity coupled with superior quality, performance and reliability. Keep an eye on print jobs conveniently with the Epson Cloud Solution PORT platform.

### COMPACT DESIGN

Being Epson's smallest and most compact genuine dye-sublimation printer in terms of footprint, the SC-F130 is the perfect solution for businesses with space constraints.

### FLEXIBLE CONNECTIVITY

Users are offered the flexibility in connection with the in-built Wi-Fi, or via Ethernet and high-speed USB.
