TABLET POINT-OF-SALE PRINTER TM-m30II-SL

EPSON
EXCEED YOUR VISION

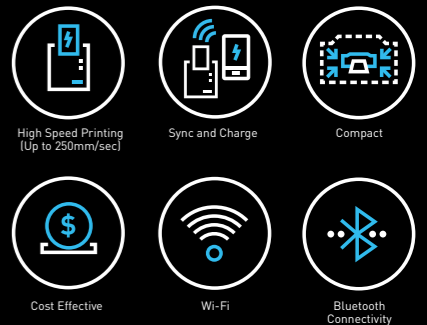

COMPACT ALL-IN-ONE TABLET MOUNTABLE mPOS SOLUTION.

Compact and trendy POS solution with ease-of-operation and installation flexibility.

Adopt the innovative, space-saving, and reliable Epson's TM-m30II-SL POS today and ditch those bulky, complicated POS systems. Design to fit even the tightest retail space, the TM-M30II-SL features a platform that allows easy tablet integration, along with a variety of placement method including vertical placement and wall mounting option. Compatible with both Android and iOS applications, its advanced paper saving function also makes it the ideal companion for businesses.

Remember, **it's in the details.** [epson.co.id/pos](https://www.epson.co.id/pos)

All-in-one Design

The all-in-one set-up is stylish and compact, built with a convenient tablet mount and a low design profile for an organised work space.

Clean Setup

Hassle-free setup with embedded AC Adapter, AC cable and charging cable. Supports multiple peripherals and connectivity for different requirements.

Cost-Saving

With the Advanced Paper Saving function, Epson's TM-m30II-SL uses approximately 49%* less paper for each receipt printed.

* Backward paper feeding is applied together. Tested with the pattern defined by Seiko Epson / Actual reduction ratio depends on printing patterns. Applicable for alphanumeric text printing only.

TABLET POINT-OF-SALE PRINTER
TM-m30II-SL

Space is no longer an issue with TM-m30II-SL's small footprint. With convenient connectivity and a built-in tablet mount, the reliable printer is fuss-free to set up even in space constrained retail areas. Compatible with both Android and iOS applications, the flexible TM-m30II-SL is the ideal receipt printer for all businesses.

STYLISH AND COMPACT

All-in-One Design

Winner of the iF Design Award 2021, the compact TM-m30II-SL helps business maximise space usage while retaining a sleek and organised counter space. Featuring a tablet mount and low design profile, mobile devices can be securely fixed in place, allowing more efficient space management without additional fuss.

Flexible Installation Options

With hassle-free and flexible installation options for Epson's TM-m30II-SL printer, you can easily adopt front or top paper loading according to your space availability. Along with the secure tablet mount, you can install the POS printer horizontally or vertically, or even on a wall with the wall-mount* option.

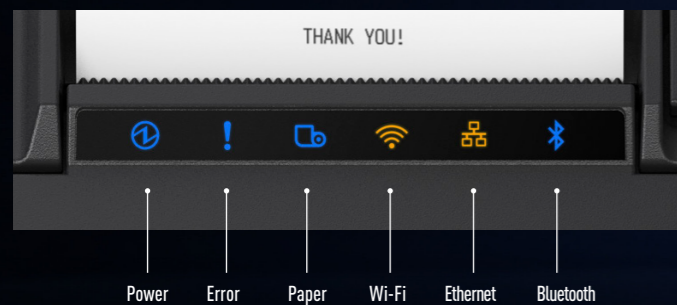

Simple, lever-operated tablet attachment
*Optional OT-WH30SL bracket required for wall mounting.

COST EFFECTIVE & EASE-OF-USE

Error Detection Efficiency

With a comprehensive LED light panel on the TM-m30II-SL, you can easily check the Wi-Fi, Ethernet, or Bluetooth status on your receipt printer. Allowing users to detect error state quickly, including paper jams, the TM-m30II-SL reduces downtime and increase productivity for businesses.

Advanced Paper Saving Function

With the in-built character height reduction function, your business can now enjoy paper savings up to 49%* as compared to the conventional models.

* Backward paper feeding is applied together
* Tested with the pattern defined by Seiko Epson / Actual reduction ratio depends on printing patterns
* Applicable for alphanumeric text printing only.

FUSS-FREE SYSTEM CONFIGURATION & INTEGRATION

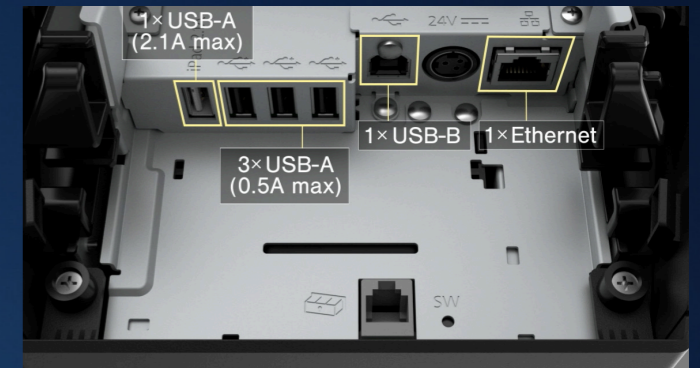

Organised Set-up

With the embedded AC adapter, there will no longer be unsightly cables from different peripherals. Keeping your counter tidy and organised, the AC cable & tablet charging cable can be easily rolled up and kept out of sight in the TM-m30II-SL itself.

Multiple Peripherals & Connectivity

The versatile TM-m30II-SL supports up to four POS peripheral connections via USB cable¹, including a tablet charge via USB Type-A port. Accommodating multiple concurrent inputs, the POS printer allows auto-switching over USB Type B, Ethernet wireless and Bluetooth interface. The special USB Network Tethering² feature ensures steady connection uptime in an unstable wireless signal environment.

¹ Feature available for iOS® devices and Android™ devices running Android 10 or later.
² Only works with iOS devices.

LOWER MAINTENANCE COSTS

Flexible Modular Replacements Parts

Operators can now easily replace the tablet without having to replace the whole set with the TM-m30II-SL printer. Supporting multiple tablet sizes from 7" – 8.5" on its built-in tablet mount, you have the flexibility to choose from a variety of tablets that operate on iOS, Android, and Windows operating systems according to your budget.

Tablet size from 7" – 8.5"

Durable and Reliable

Epson's unparalleled POS expertise translates to durable build quality and refined functionality as each component was developed with ease of use in mind. With 150 km printhead life and auto cutter life of 2.2 million cuts, the TM-m30II-SL is a receipt printer that you can rely on.

Printer Mechanism	17 mil lines	MCBF	65 mil lines
Print Head	150 km	Paper Size	58 / 88 mm
Auto Cutter	2.2 mil cuts
